Relevant Employment

June 2014 – Present: Junior Web Developer Internship, Smart Data Analytics, Unit 5, Western Gateway Building, Cork.

- Created website layouts and user interfaces using HTML5, CSS, JavaScript, and ASP.NET MVC 5.
- Provided website maintenance and enhancements (for example www.irishtourism.com).
- Worked closely with design team and product owners.
- Used SCRUM methodology for software development.
- Developed solid software development skills using ASP.NET MVC.

2006 – 2009: Architectural Technician, Traynor O'Toole Architects, South Mall, Cork.

- Produced architectural drawings for a wide range of construction projects.
- Accurately interpreted clients' concepts and requirements and developed these into complete sets of working drawings and specifications.
- Created, reviewed and revised architectural drawings for projects in order to accommodate: clients' requirements, planning conditions, building regulations, and aesthetic merit.
- Committed to meeting deadlines and the timely completion of projects.
- Liaised with clients and consulted with planners, architects, engineers, building contractors and other members of the design team.
- Fine-tuned architectural drawings as required during the construction phase of projects.
- Organised design team meetings, site meetings, site inspections.

2005 – 2006: Architectural Documenter in firms in Sydney, Brisbane, and Melbourne.

- Undertook three short-term contracts for large architectural firms and successfully adapted my skills to thrive in these new environments.

2002 – 2005: Architectural Technician, Patrick A. Cashman & Associates, Midleton, Co. Cork.

- (First graduate position) Gained invaluable experience in working in a fast-paced work environment.
- Developed and demonstrated excellent organisational and communication skills, and ability to work under pressure in order to meet challenging deadlines.

Other Employment

2009 – 2010: TEFL Teacher (Teaching English as a Foreign Language): 3 months in Torquay, England; 2 months in India and, 3 months in Nepal.

- Designed and implemented lesson plans for a wide range of learners.
- Gained an appreciation for cultural diversity.

Hobbies & Interests

- **Sports:** Especially squash (I usually play 2-3 times a week). Also I enjoy soccer, rugby, and running.
- **Travel:** Travelled throughout Europe and lived for short spells in cities such as Boston, Melbourne, and Kathmandu.
- **Others:** Table-quizzes, Crosswords, Card games (member of UCC Poker Society).
